To Whom It May Concern:

On behalf of Seward Rotary Club, it is my pleasure to write this letter of support for the Seward Bike Park Project.

We believe a bike park would be a great addition to Seward for both residents and visitors. It would provide not only a fun activity but also a gathering place that would increase social interaction, which are both important factors in physical and mental well-being.

P.A.R.K.S (Parents Advocating Recreational Kids Stuff) and the Seward PTA's grassroots effort to build partnerships within the community and create positive change through this project embodies Rotary's dedication to "service above self." We support the Seward Bike Park Project and urge you to do the same.

Sincerely,
