

# Kikkan Randall

Olympic Champion & “Get-Activist”

May 25, 2018

Dear fellow Alaskans :

Being active and healthy is at the core of who I am as a person. I was fortunate to grow up in a family that loved spending time outdoors and introduced me to so many activities growing up in Alaska like hiking, biking, skiing, skating, sledding, camping, etc. As a kid I spent hours outdoors chasing around family and friends and always loved the challenge of climbing trees and going off jumps. It's these types of experiences that I credit for building my physical fitness and strength as well as my confidence to go out and chase my Olympic dreams. Now that I'm a Mom, I want the same opportunities for my son.

That is why I am so excited to endorse the Seward Bike Park project from the P.A.R.K.S.! I wholeheartedly believe in their vision to create a free, community bike park for all levels and abilities to enjoy the sport of biking. Riders will be able to improve their skills and knowledge of biking and will surely have a lot of fun along the way!! I love that it will be open to everyone, from striders to big wheels to trikes! A great place to bring the community together!!

Please join me in supporting the Seward Bike Park! Fundraising efforts are underway and every donation large or small is appreciated!!

See you out on the trails and hopefully in the bike park!

Sincerely,

Kikkan Randall
